

WNYRCNA XVII

Planning Committee Meetings, Saturdays at 2pm
February 11, 18, 25, and March 3.

Why Attend?

Every year the Planning Committee gathers at four consecutive meetings to elect the trusted servants that will fill the positions necessary to create the committee for the Convention.

Your service at these Planning Committee Meetings is needed to choose competent and willing trusted servants, so that we may all enjoy a wonderful event.

It takes an enormous amount of work to make the Convention a success, but the Planning Committee commitment is much simpler.

Your attendance will be required at two out of the last three planning committee meetings that enables you to vote at the meeting on March 3 to help choose the committee that will host this year's Convention.

Come, be a part of. It's the easiest service commitment you will find! But the results will be spectacular.
