

## **WNYRCNA Minutes 6/25/11**

Special meeting called to review Convention contracts.

Earlie stated for the record, to dispute rumors, NO contracts have been signed and no promises or agreements have been made with any facility.

The Convention committee is recommended the Hyatt and the Convention Center.

Hyatt & Convention Center contracts were reviewed.

- There needs to be approval to use the PA system.
- Parking is \$20 per day (Ramp \$5) regardless of room rental.
- Are we required to have security? - No, but if we wanted it we would need to incur the costs ourselves.
- We have to be out of the Convention Ctr by 12 midnight but the rest of the meeting will be held at the Hyatt.
- Room rentals – attached email only require 160 rooms. There will be 1 complimentary room for each 50 rooms rented. We had 200 rooms nights last year (100 x 2 nights).
- Addendum A3 - Registration – question about whether we can register people at the Convention. There is a clause in the contract about using union ticket people but this does not apply. This is addendum A - This should clearly state that it is N/A.
- Addendum A9 – DJ must have certificate ASCAP license stating that they paid copyright dues?
